You are good people, and I will miss you! I LOVE to hear from my students after they leave, so please drop me a line with an update now and then:)

To the Class of 2021,
It is hard to believe that you, my first class of Butler sixth graders, are graduating! I can vividly remember your sixth grade graduation and now you're all grown up! You are a very special group of soon-to-be adults and know that you taught me just as much I taught you. Always believe in yourself and I cannot wait to hear about all of your wonderful accomplishments.
Best wishes and congratulations!!

AM-HS Class of 2021—

Congratulations!! What a class! Artists and athletes, scholars and musicians, actors and directors—you are as diverse in your interests as you are in the paths you will choose to follow in the future. It's been a privilege getting to know you all—and to watch as you've developed your own ways of being in this educational community. As always, I see no reason to wish you luck out there—'cause you have skills. Now, you'll have the chance to use them to do good and important work in this world. And trust me—the world needs you to do just that!

**Fondly,
Beth Shepley**
